*Invitation to the VI International Conference
“PULSES – FUTURE OF THE PLANET”
on October 29, 2021 in Kyiv, Ukraine*

Your Excellency!

The Association of Pulse Producers and Customers of Ukraine expresses the assurances of highest consideration to the Embassy of the Islamic Republic of Iran to Ukraine and You personally and announces the holding of **the VI International Conference “PULSES – FUTURE OF THE PLANET” on October 29, 2021 in Kyiv, Ukraine.**

For the last years, the global pulse market has faced challenges. Certainly the global pulse market will continue growing but its potential is not fully discovered by producers and consumers yet. With constantly growing world population, the pulses market is a market of new opportunities.

The VI International Conference “PULSES – FUTURE OF THE PLANET” is the largest pulse event in Ukraine and an effective international platform to discuss the most important topics and major challenges faced by the pulse market players.

In this regard, I have the honor to kindly invite You, Your Excellency Mr. Manouchehr Moradi, to be an Honorable Guest at the VI International Conference “PULSES – FUTURE OF THE PLANET”.
